Individual Homework

Directions: Write a song, poem, story or rap about HIV. Use extra paper if you need it. It could be about...

- What people DO need to worry about and what they DON'T need to worry about
- How to keep yourself and the people you care about from getting HIV
- Choosing abstinence
- Correct condom use
- What people don't understand about HIV
- What it is like to live with HIV
- Discrimination against people who have HIV
- What the world would be like without HIV
- What it is like to grow up in a world with HIV

[illegible]
